*Building Relationships ... One Home at a Time*

Stone Creek Custom Homes is committed to creating the home of your dreams. We understand that while designing and building your home can be exciting, the process can also seem overwhelming. From the foundation to light fixtures, we will make the process flow as smoothly as possible for you.

At Stone Creek, we stand by the word "Custom." We can design any plan from the ground up, or customize a current plan to meet your specific needs. Founded in 2003, our dedicated staff has over 40 years of combined experience in the land and real estate industry. Care and craftsmanship goes into every one of our homes, and we encourage involvement of our homeowners in every step of the building process.

★ Your Custom Home

★ Your Homesite

★ Your Dream Come True

*"Our experience with Stone Creek was nothing but positive. It is not very often today that people get the opportunity to deal with a company that consists of honest, hardworking people such as yourselves. We now don't only consider you the fine builders responsible for the successful construction of our new home, but you have become great friends."*

*"As our own design unfolded and the building process culminated in our perfect house, we grew to appreciate the attention and commitment of Stone Creek Custom Homes. We literally walk around our home without reservation that we made all the right decisions. Of course, our best decision was to entrust our dream house to the professional and impressive people at Stone Creek Custom Homes."*

*"Building your custom dream home is all about choices. Selecting your builder is the most important decision you will make when building your home. Choosing Stone Creek Custom Homes to create our "Mona Lisa" exceeded our expectations and made our building experience exciting and satisfying. Their honesty, total involvement, and friendly nature, combined with a commitment to outstanding workmanship, made our dream come true. Superb and consistent customer service is their hallmark! We've had numerous compliments about our new home; but the one that says it all is, "Your home just feels right."*
